

# EDHB Custom Homes, LLC.

THE CONSTRUCTION PROFESSIONALS

## NEED ESTIMATING

Need a Detailed Cost Estimate we can help, it is an important part of the project to keep budget proposals accurate. We provide cost estimation for Homeowners, Architects, Builders, Engineers and Sub-contractors, or anyone who needs our service or may not have time to get the detail cost, call us.

We Estimate Residential and Commercial Projects anywhere in the USA, just send us your plans by email as a pdf or a 3D Model and we will get you a quote. Turn-around takeoff time is from 1 - 3 days or even faster if requested, with an expedited fee.

EDHB Estimating will work the way you do, helping you to build bids more quickly, accurately, and confidently .

So Call or Email us Today!

The screenshot displays the EDHB Estimating software interface. The main window shows a list of items on the left, a detailed view of a selected item in the center, and an estimate detail table at the bottom.
